Air Medical Transport Conference
October 22–24, 2018
Phoenix, AZ, USA

Exhibitor Prospectus

brought to you by:

About the Conference

The Air Medical Transport Conference is an internationally recognized, annual educational meeting and trade show dedicated to improving the quality of patient care transport services. The AMTC facilitates a lively exchange of information to help medical transport professionals respond to constantly changing patient needs, and promotes industry advancement through adaptation to new technologies. This is your chance to meet with over 2,500 energetic, influential professionals active on all levels and in all areas of the medical transport field.

Attendees are emergency medical and critical care professionals from both hospital and independent providers of air and ground medical transport services—CEOs, program directors, medical directors, physicians, nurses, respiratory therapists, paramedics, pilots, communication specialists, Part 135 operators and aircraft manufacturers. All disciplines of the emergency medical transport industry are well represented at the AMTC. What better arena in which to show off your product or service?

Hotel Information

As the Air Medical Transport Conference (AMTC) continues to grow, so have our housing needs. For the benefit of all attendees and exhibitors, the AMTC will be using the services of a housing bureau for the 2018 event in Phoenix. Full hotel information will be available in April 2018, and room blocks will open at this time. We will then send an announcement to all exhibitors that have reserved booth space in Phoenix with instructions on how to make your hotel reservations.

Rules and Regulations

Each Exhibitor is bound by the Air Medical Transport Conference (AMTC) Exhibit Rules and Regulations, according to this contract between the Exhibitor and the Association of Air Medical Services (AAMS), executed by the Exhibitor's Authorized Signature on the front of the Booth Application and Contract form. AAMS reserves the right to determine the eligibility of the technical exhibit of any Exhibitor for inclusion in the Air Medical Transport Conference, either before or after execution of the Exhibit Space Contract. AAMS reserves the right to decline or prohibit any exhibit or part thereof which, in its opinion, is not in keeping with the character and spirit of the Booth Contract or on-site AAMS policy. AAMS reserves the right to expel or refuse admittance to any representative of the exhibit whose conduct is, in its opinion, not in keeping with the character and spirit of AAMS policy.

Space Assignments

Exhibits will be shown in the Exhibit Hall of the Phoenix Convention Center. AMTC badges for educational and business session attendance are not included. Formal promotional displays require the purchase of booth space located in Exhibit Halls A-D. Specific space assignments will be made on a first come, first served basis.

Booth Facilities and Display Limitations

Each 10' x 10' booth space comes equipped with 8' flameproof drapery backwall and 3' side dividers. Each Exhibitor will also receive one 7" x 44" identification sign indicating company name and booth number. Security service in the Exhibit Hall is provided by AAMS, however, AAMS assumes no liability for providing said service. Any unauthorized visitors or other irregular activity noticed on the trade show floor should be immediately reported to security personnel and to a staff member at the AAMS Registration Desk. AAMS provides for cleaning of aisles and common areas. Exhibitors must maintain their assigned spaces in good order. Information on cleaning services inside booth spaces is provided in the Exhibitor Service Kit.

Exhibitors may not assign or sublet any portion of their booth space(s), nor may they display or advertise goods or services other than those provided by the exhibiting company in the regular course of business.

Each Exhibitor is entitled to a reasonable sightline from the aisle, regardless of size. Exhibit displays shall not exceed 8' in height at the backwall; and sidewalls exceeding 3' in height shall not extend beyond 5' from the backwall. If your display does not meet these specifications, you must contact AAMS and receive pre-approval of exceptions by June 29, 2018. Exhibit signs, materials or displays are limited to the assigned space and shall not be permitted in any public space or elsewhere in the meeting facility. All exhibits and demonstrations are to be contained within the boundaries of assigned booth space(s) and shall not interfere with aisle space. Exposed, unfinished sides of exhibit backgrounds must be draped or covered to present an attractive appearance. No part of an exhibit or its signage may be nailed, taped or otherwise attached to columns, walls, doors or floors of the Exhibit Hall in such a manner as to cause damage or marks. If any part of the facility is damaged or defaced by the Exhibitor, its agent or representatives, the Exhibitor will be liable to the facility for the amount necessary for restoration to the original condition. The Exhibit Hall flooring is concrete. All aisles in the exhibit area will be carpeted by AAMS. Booth spaces must be carpeted by the Exhibitor; information on carpeting options may be obtained from the Exhibitor Services kit provided by Arata Expositions, Inc. All exhibit material must be flame proofed and fire resistant to conform to local fire ordinances and insurance carrier regulations. All aisles and exits shall be kept clear at all times. Fire extinguisher equipment shall not be covered or obstructed in any manner.

City of Phoenix Fire Marshal Rules and Regulations

The city of Phoenix and the Phoenix Convention Center abide by strict fire regulations. Although most of these rules will apply to our aircraft exhibitors, please take a moment to familiarize yourself with the following:

1. A minimum 4A60BC fire extinguisher shall be available in close proximity to each helicopter. The extinguisher shall have a current annual inspection tag. Note: Fire extinguisher to be brought in by lessee and/or their designee. The Phoenix Convention Center will not provide and/or rent fire extinguishers.
2. Each aircraft is allowed entry into the convention center with enough fuel on board to keep our aircraft in compliance with Part 91 Federal Aviation Regulations (FAR) fuel requirements—i.e. to fly from the loading dock at the close of the show, back to the FBO at the airport, and then the additional required 20 minutes of flight time. Please comply with this fuel requirements for your particular make/model aircraft.
3. Batteries will be disconnected and terminals taped before entering the facility. Circuit breakers for fuel and starting systems will be deactivated. Note: All systems which could functionally operate (create ignition) to the aircraft must be disconnected.
4. Fuel caps and fuel vents will be sealed (taped) and/or locked.
5. Aircraft shall be cooled down in accordance with the manufacturer's recommendations.
6. Aircraft fuel systems will be shut off and verified for no leakage or seepage.

Payment and Refund

Complete charges for total booth rentals are due with the signed Booth Application and Contract form. The Booth Application and Contract, along with check or money order made payable to AAMS, should be mailed to: AMTC Exhibits, Association of Air Medical Services, 909 N. Washington St, Ste 410, Alexandria, VA 22314. Or you may fax the application contract form with a credit card number, expiration date and authorized signature to AMTC Exhibits at 703/836-8920. **We must receive full payment of exhibit space 45 days prior to the event. A 5% fee will apply to all late payments.** Exhibitors are not permitted to occupy assigned booth(s) until all booth space fees are paid in full.

Cancellation

Should any contingency prevent the Air Medical Transport Conference from occurring as scheduled, AAMS will not be held liable for expenses incurred by the Exhibitor.

Booth Cancellation

Requests for cancellation of exhibit hall space must be received in writing by the AAMS office no later than June 29, 2018. No refunds will be made for cancellations received after June 29, 2018. Cancellations received by April 1, 2018 will receive a full refund, less \$100 processing fee. Cancellations made between April 1 and June 29, 2018 will receive a 75% refund, less \$100 processing fee.

Exhibitor Attendance and Registration

Exhibits must be staffed at all times during exhibit hours. Exhibitor companies receive two complimentary exhibitor registrations with each 10' x 10' booth space purchased. Exhibitor attendees must check in at the on-site AMTC Exhibitor Registration Desk during the posted registration hours and receive their conference badges in order to gain access to the Exhibit Hall and other Air Medical Transport Conference functions. Badges must be worn at all times during conference hours. Any additional company personnel wishing to gain admittance to the exhibits ONLY may purchase badges in advance or on-site. Each Exhibitor must identify one authorized representative to be responsible for the company's exhibit for the

duration of the conference in the appropriate space on the Exhibit Space Application and Contract form. A pre-conference contact person must also be identified on that form.

Installation and Dismantling

Installation of regular exhibits begins at 0800h on Sunday, October 21, 2018 and must be completed by 1030h on Monday, October 22, 2018. Exhibits will close at 1200h on Wednesday, October 24, 2018. Dismantling may begin when the exhibits are closed and removal of all regular exhibits from the Exhibit Hall must be completed by 1800h on October 24, 2018.

Please note: Aircraft on Display in the Exhibit Hall will be moved out BEFORE most of the exhibits. Order of departure will be determined on-site by the AMTC Aviation Coordinator and the AMTC Exhibit Floor Manager. Exhibitors will not be permitted to move items out while aircraft are being towed out of the hall. Your cooperation is appreciated, as aircraft must have priority due to weather, air medical program scheduling, and other unforeseen factors.

Aircraft on Display in the Exhibit Hall will be entering on Saturday, October 20, 2018 from 0900 to 1300h. Exit time is Wednesday, October 24, 2018 from 1200h to 1500h. The times established by AAMS are without exception, but are subject to change due to weather and other factors. Exhibitors with aircraft on display in the Exhibit Hall will receive detailed information on flight operations from AAMS in the AMTC Operations Manual. The Exhibitor shall abide by the rules governing aircraft operations as stated by AAMS in the guidelines within. Space not occupied by 1000h on Monday, October 22, 2018 reverts to AAMS without any obligation for refund. No packing materials, crates or boxes or are to be left in the Exhibit Hall following installation or brought into the exhibit space before 1200h Wednesday, October 24, 2018.

Decorator Services

The official decorator for the Air Medical Transport Conference is Arata Expositions, Inc., tel: 407/422-3636, Contact: Carol Cash.

Each Exhibitor will receive an Exhibitor Service kit from Arata Expositions, Inc. (AEI) which explains and includes order forms for: drayage, labor, installation of electrical, telephone, audio-visual and other utilities, booth furnishings, signs, porter and shipping services, and floral decorating information. AEI will also provide an on-site Exhibitor Service Center during installation, exhibit hours and dismantling. The Service Center will be staffed by Decorator Service representatives familiar with the Air Medical Transport Conference and exhibit area.

Exhibitors using outside service contractors for decoration, installation and/or dismantling must notify AAMS at least 30 days prior to the Conference (September 22, 2018) and provide the names and addresses of all contractor personnel who will be working in the exhibit area. Certificates of insurance for liability and workman's compensation are required for all outside contractors admitted to the exhibit area and must be mailed or faxed to the AAMS office 30 days prior to the Conference. All work required in connection with the Exhibitor's participation in the exhibit must be done in accordance with local union requirements.

The Exhibitor agrees that, if a display house or outside contractor other than the official Decorator Service is used for set-up and dismantling, the contractor shall have a working agreement with the local decorator's union. The outside contractor shall agree to conform to current and acceptable labor contracts.

Liability

AAMS, its officers, directors, members, agents and all organizations and individuals employed by AAMS in conjunction with the Air Medical Transport Conference shall not be responsible and shall be held harmless for any loss or injury resulting from accident, fire, theft or any cause whatsoever, including, but not limited to, accident or injury to Exhibitor's property, manufacturer's demonstration participants, their employees, agents, guests, the public and others, during or subsequent to the periods covered by the Booth Application and Contract.

The Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify and hold harmless AAMS, Arata Expositions, Inc., the Phoenix Convention Center and the city of Phoenix, their officers, employees and agents, against all claims losses and damages to persons and property, governmental charges or fines and attorney's fees arising out of or cause by Exhibitor's installation, removal, maintenance, occupancy or use of the exhibition premises or part thereof, including any outside exhibition areas.

In addition, the Exhibitor acknowledges that AAMS, Arata Expositions, Inc., Music City Center and the city of Phoenix, their officers, employees and agents do not maintain insurance covering Exhibitor's property. Exhibitors are advised to obtain business interruption and property damage insurance covering such losses by Exhibitors. AAMS, Arata Expositions, Inc., Phoenix Convention Center and the city of Phoenix are not responsible for obtaining such insurance.

Exhibitors flying aircraft to the Phoenix Convention Center and/or Static Display are required to provide AAMS with written evidence of Aircraft Liability Coverage with combined single limit for bodily injury, property damage and passenger liability of \$10 million before being permitted to move into the exhibit hall. Please provide evidence of insurance at least 30 days prior to the Conference (September 20, 2018). Each Exhibitor is responsible for any and all damage to the exhibit area and for any and all claims and demands made in regard to an injury, death or damage to property incurred in or upon the assigned space.

Suite Requests and Meeting Space Reservations

Suites and meeting space will be available at the AMTC contracted hotels. Suite/Meeting Room layout and rate information is available through the AAMS office. All suite and meeting space reservations must be made through the AAMS Office. Please contact the AAMS Director of Education and Events, at 703/836-8732 to make arrangements. Act quickly; suites and meeting space are first-come, first-serve and are **only available** to exhibiting companies / organizations and their representatives.

Restrictions and Rules of Conduct

Giveaways other than samples of the Exhibitor's products or descriptive literature must be approved by AAMS. Awards or drawings are limited to prizes of an educational nature or in keeping with the character of the Air Medical Transport Conference. Combustible materials, flammable liquids or gases will not be permitted. All cylinders containing compressed gases must be secured to prevent tip-over; exhibitors not complying with this regulation will not be permitted to have such cylinders in the Exhibit Hall. Radiological equipment may be displayed, but not operated.

Noise from electrical, mechanical or audio-visual equipment must not interfere with nearby exhibits.

Exhibitors may conduct business in the Exhibit Hall from opening until closing on exhibit days. Arrangements for Guest Passes during installation and dismantling can be made at the on-site AMTC Registration Desk.

Please direct all inquiries to the AAMS Office at 703/836-8732.

AMTC CORPORATE SPONSORSHIP PROGRAM

This program is designed specifically with you in mind. Reach specific, targeted audiences in the increasingly competitive medical transport marketplace while maximizing the return on your investment. Enhance the image, prestige and position of your company and accelerate your market penetration.

In addition to the special recognition related to specific events and activities, companies participating in the *Corporate Sponsorship Program* will receive additional prestige and exposure through each incremental leadership level.

Patron Level ★★★★★

(\$10,000+)

AMTC Mobile App
Conference Tote Bags
Conference T-Shirts
Exhibit Hall Lunches
Exhibit Hall Receptions
Monday's Community Awards Banquet
"Relax-the-Back" Seated Massage
Wednesday's MASH BASH

Benefits of Patron Sponsorship include:

- ALL Benefits of a Supporter PLUS;
- 2 FREE Full Registrations to Conference;
- Hyperlink on program's website for 2 months around program dates;
- A Full Page Black & White ad in the Final Program Book;
- If applicable, your company logo on the wall or screen of sponsored Event.
